

# INDEPENDENT CONTRACTOR SERVICES AGREEMENT

I, the undersigned, hereby represent that I am providing services as an independent contractor and not as an employee. I understand that I am to receive a Form 1099 (at the \$600 level) from the payer for the following January and not a form W-2. I am holding myself out as a self-employed individual. If I have any individuals working for me on this particular job, I understand that it is my responsibility to perform the payroll tax obligations of an employer. I (and my employees, if any) will continue in this dependent contractor status until and unless there is a subsequent written agreement otherwise with the Payer.
